Tale One Alice Does Not See

Ah!
Oh?!
Ah, I can't see anything!
Where am I?
Is anyone out there?
Is anyone there?!

"Ah, don't worry!
This is a hospital."

"Huh, I'm in the hospital?_"

"Yes, the hospital.

Do you remember
what happened to you?"

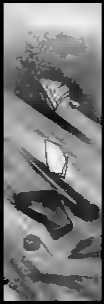
...Remember?

... A large truck

A large truck
rushed at me...

"I tried to avoid.

I was unable to avoid."



"The headlights were broken in all directions.

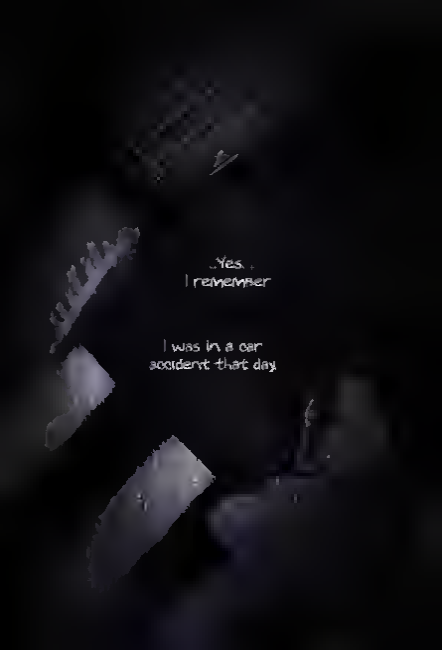
There was the smell of burning rubber and asphalt

There were skid marks.

-kyaak-

People screamed.

It was scary."



..Yes..
I remember
I was in a car
accident that day.

"... What else do you remember from that day?"

"There was something...

Ah! My head hurts!"

"...! Oh, that's okay then.

Don't overdo it anymore. You regained consciousness pretty quickly.

Relax a little more please."

"Yes...
Doctor,

But-"

"Why.
Why can't I see anything?"

The... You know it's...
I need you to listen to me calmly.

...Yes?. What is it ?

"What?"

Once upon a time, there was a girl

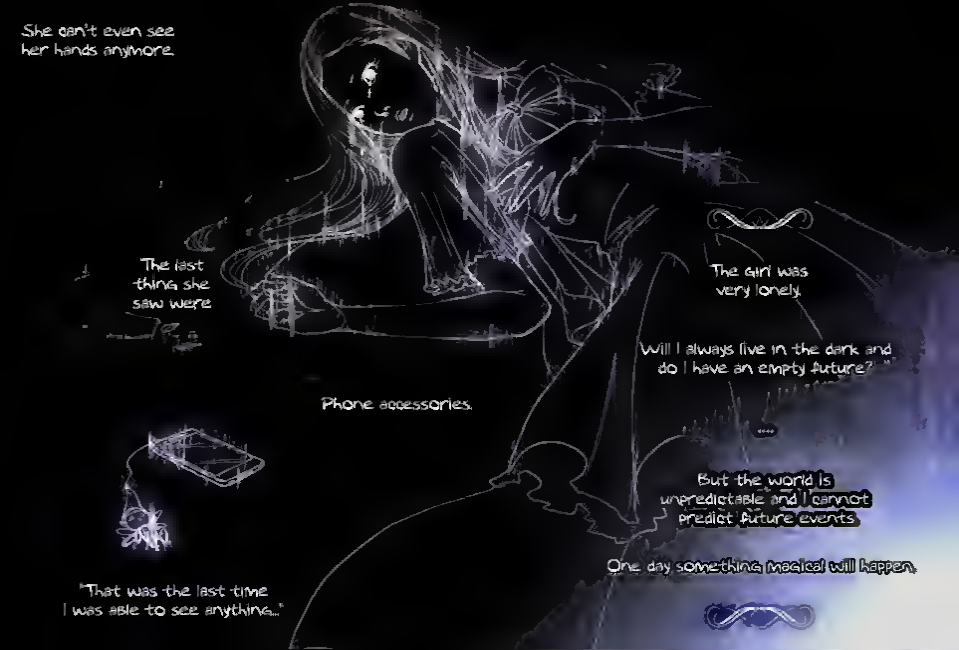
One day, the girl got into a car accident and now she may never see the world again.

It is a fate she cannot fight against.

Still, she can hear
She can still feel the wind blowing.

She cannot see anything. All she can see is darkness

A one colored world.



She can't even see her hands anymore.
The last thing she saw were
Phone accessories.
"That was the last time I was able to see anything..."
The girl was very lonely.
"Will I always live in the dark and do I have an empty future?"
...
But the world is unpredictable and I cannot predict future events.
One day something magical will happen.

I know that I can't see anything, but I see something.

It.
It's an elf

Many years later,

The amount of fairies has increased.
There is now a huge amount marching in a parade.

There are large mushrooms and blue roses and so many mysterious things as though the wind is filling her sight with wit

Once upon a time, there was a girl
One day, the girl got into a car accident and now she may never see the world again.
But, she has been opened up to a new world populated with fairy tales
So, now, she is able to live in her own fairy tale world.
